

TECHNOLOGY

Hi! My name is Amy Paul and I've met many of you virtually through tutorials/trainings and some of you in person. My job is to help our associates better understand the inner workings of our app and more importantly, how the back of the house administrative part works! I've set up these tutorial times to help any and all that want more information about these tools to help us all do our jobs better!

OBJECTIVE:

BETTER UNDERSTANDING OF WHAT CONNECT ACTUALLY IS, WHAT EACH PART OF THE APP TACKLES AND HOW TO USE IT.

- * EACH TRAINING WILL TAKE PLACE TUESDAYS AT 12:45PM EVERY WEEK - STARTING APRIL 27TH
- * USE THE MICROSOFT TEAMS LINK BELOW TO ACCESS THE TRAINING/TUTORIAL:

Associate-Facing Systems – Back of the House

Associates are granted certain roles that allow them to utilize different apps under the umbrella of Connect. office.bayclubs.io

Dashboard

Each tile or "umbrella spoke" is a separate system allowing the associate to make changes, input information, etc...
