#### What's new in 2018?

We asked for feedback and heard you loud and clear! Now we are excited to share with you some changes for the upcoming summer season of Kids Camp:

#### All-Access!

We're rolling all the fun of Theme Camp and Sports Camp into one! Campers will be divided up by age-group\* and rotate through a variety of age-appropriate sports, art projects, and activities that will change weekly.\*\* We are confident that this new format will provide campers and their families an even better and more memorable experience. Scroll down to see what consists of a "typical" day at Camp!

## Lunch Option for Kids Camps

Every camp has lunch included in the price of your 2018 Camp. This way you can still take advantage of the convenience of not having to pack a lunch every day.

## Bay Club 2018 Kids Camp Menu

- **Monday** | Baked chicken tenders, sweet potato tots, sliced watermelon, ranch dressing, and apple sauce cups.
- **Tuesday** | Gluten-free penne pasta with marinara sauce, steamed broccoli florets, orange slices, and whole wheat Goldfish.
- **Wednesday** | French toast sticks, scrambled eggs, smoked bacon, fresh banana, and strawberry “Danimal” yogurt cups.
- **Thursday** | Sun butter (sunflower) & jelly sandwiches, fresh carrot sticks, fresh watermelon, and salt and pepper Pop Chips.
- **Friday** | Cheese and pepperoni pizza squares, broccoli florets, and ice cream fudge bars.

Please note that we cannot purchase alternate lunch items for your camper from the café, as it takes counselors away from their responsibilities.

\*Age-groups are subject to change based on enrollment levels, but as a general rule will be: 5-7 years, and 8-12 years.

\*\*Each week of Camp will include 30 minute group swim lessons, basketball, yoga, and tennis. Art projects and group games will change weekly.

## Parents Please Note:

Many of the camps include “water play” and/or “pool time” in the description.

We understand that swimming may bring up concerns for parents. During our “free swim”, your child is in great hands with our CPR/First Aid Certified Camp Team, at a ratio of 1:4. During “group lessons”, each Certified Swim Instructor will be teaching a group lesson to five campers, while a Camp Counselor monitors the lessons from the pool deck. Younger campers will play in sprinklers on the lawn and in the mushroom pool. There will be Camp Counselors and BCSC lifeguards on duty and in the pool while the children are in and/or around the pool area. If you would prefer not to have your child around the pool area please contact the Childcare Director and we will provide other activities for your camper.

## Counselor In Training | Ages 13-15 | June 18–August 24

Sadly, all campers must grow up, but taking the Counselor in Training (CIT) program can be a great way to transition from camper to counselor. Plus CITs will learn job related skills for the future, demonstrate leadership ability, act as a mentor, share responsibility, and strengthen communication skills. CIT’s lead by example, they engage, participate, and assure all campers are having a great experience. CITs will spend time with campers, ages 3-12, supporting games and activities organized by camp staff. Responsibilities may include, but are not limited to, active participation in sports, arts & crafts, team-building, group games, food service, and supporting the day-to-day operations of the Camps. Choose from full-day or half-day options.

Our CIT 2018 experience will include:

- Invaluable leadership experience.
- Daily healthy snack and lunch.
- C.I.T. T-shirt

Couple/Individual Memberships: \$116 per week

## SAFETY FIRST!

The Bay Club is committed to providing the safest environment possible for all Campers. Here are just a few of our safety practices:

- All of our Camp Counselors and Leadership (18 years and older) are background checked, finger printed, and CPR|AED| First Aid Trained. They also complete extensive camp orientation covering positive child developmental practices, conflict resolution, anti-bullying and inclusive team building skills.
- Sunscreen is applied every 45 minutes.
- Campers with dietary restrictions or medical needs will be given an identification bracelet, so all camp staff whom come in contact will be aware and provide appropriate care.
- Campers are adequately supervised when going to and from the bathroom, and will be aided

by staff of same sex when needed.

- Campers will change after swimming inside our designated changing tents. If assistance is needed during changes, a Camp Counselor of same sex will provide help.
- We understand that swimming may bring up concerns for parents and we take the safety of your child very seriously, so a swim test will be conducted for all kids under the age of 14. Those who can swim the length of the pool unassisted and can tread water for 60 seconds will be considered “water safe” and will receive a bracelet. Campers are to wear their bracelet daily. Those whom prefer not to test or unable to complete the swim test will have in pool supervision at all times.
- A minimum of two lifeguards in addition to camp staff and swim instructors will be present at all times while campers are in the water. Exact ratios to age listed below.
- All campers are checked out using a pin. If anyone other than you or second parent will be picking up, please log on to bay club connect to enter their information. They will then be assigned a PIN number. Campers will not be released without an authorized guardian on file and use of correct pin.
- Throughout the summer all counselors are required to participate in interactive safety drills that directly relate to children in Camp. Whether it’s a bee sting, a food reaction, or another medical emergency, you can rest assure that your camper is in safe and knowledgeable hands.
