Camper to staff ratios:

on land 8:1

in water deemed “water safe” 5:1

in water if not deemed water safe 3:1

Sessions

5-day | Monday–Friday

*One day and specified sessions based on availability. Reach out to Camp Administrator for more information.

Each week of Summer Camp, your child will explore new passions while having fun with a variety of activities. Our campers are organized according to age, and rotate through different activities, throughout the day. Activities vary from arts and crafts, team building exercises, swimming, basketball, soccer, dance, martial arts, yoga; all designed to pique interest and strengthen the mind, body, and spirit.

Typical Day at Camp

8:00–9:00 am | Before Care

Quality child care is provided before Camp and is included with your full-day Camp enrollment.

9:00 am–12:00 pm | Morning Activity Rotation

Campers will rotate through swimming lessons led by Swim Instructors, organized games and sports, and a themed art project. Please note that 30-minute, small-group swim lessons will be included four days a week all summer, while Friday is a free swim / water play day.

12:00–1:00 pm | Lunch & Free Play

Campers can bring lunch from home (no peanuts, please!) or enjoy the lunch that is included in Camp. Before or after lunch, campers can wind down with their friends before heading into afternoon activities.

1:00–4:00 pm | Afternoon Activity Rotations:

In the afternoon, campers will have themed art & science projects, along with organized games. They will also rotate into the Studio to participate in a daily Kids Fitness class with a professional instructor (such as, Yoga, Dance, Pound Kids Cardio, and Zumba) to keep them active and engaged right up until the end of Camp! To wrap up the day, afternoon snack will be provided. Snack time offers campers and counselors the opportunity to reflect on the day and recognize outstanding Campers.

4:00-6:00 pm | After Care:

Quality child care is provided after Camp for an additional fee.

Lunch and snacks may be brought from home (no nuts, please) or campers may enroll in our daily lunch program, which is included in the cost of camp.

Before and After Care

Pre-care is available beginning at 8:00 am. Drop off prior to 8:45 am will incur extended care costs. Pick up after 4:00 pm will incur extended care costs. Aftercare available until 6:00 pm. Late pick up after 6:00 pm will be charged \$1 per minute.

Extended care packages must be purchased at time of session enrollment. Unused hours will not be refunded. Hourly extended care is \$13.50 per hour billed in 15-minute increments.

Counselor in Training | 13-15 years | 8:00 am-5:00 pm | lunch included

Camper to staff ratios:

In water deemed “water safe” ITs may swim without camp staff in pool–lifeguards and camp staff always on deck supervising.

in water if not deemed water safe 3:1

5-day session Monday–Friday

The Counselor in Training (CIT) program will prepare and train your child with basic career skills and provide a social component to build friendships. Our weekly workshops will focus on developing career building skills, such as resume writing and interviewing skills. Some of the topics will be presented by inspiring and influential speakers who are successful in their respective fields. We have also revamped our program to include social activities such as a CIT pool party, outings to local restaurants, and team building. Your child will not only spend their summer supporting campers daily, we will also provide them with a nurturing setting to learn important life skills, time management, responsibility, and accountability. CIT who successfully complete the program will be eligible for hire at the age of 16.

The tuition includes a mandatory training (CPR, AED, First Aid certification), lunch, snacks, and Bay Club gear.

Training Dates | TBA

CIT's can attend training

1. CPR | First Aid and AED certification

CIT's age 13 must be picked up by an authorized parent or guardian.

CIT's aged 14 and 15 may check themselves out with a note of parental approval on file.

CIT's of any age may not leave campus for lunch.

CIT's who need to leave early must have a note from parent, and notify staff.

GOOD TO KNOW

Your child will need to bring the following, in a carry bag or backpack:

- Bathing suit.
- Swim Accessories: goggles, hair brush.
- Extra snack if needed
- White-soled, closed toes shoes and socks must be worn every day (we encourage Velcro or slip-on shoes for children who cannot tie their own).

Please DON'T pack the following:

- Sunscreen - apply at home, and we will re-apply before any outdoor activity.
- Towel.
- Extra clothes, shoes, etc. (unless your child has a specific need).

Electronics Policy

Due to the difficulty in monitoring the content on electronics, cell phones, tablets, personal gaming machines, and other electronic devices are not permitted in Camp.

Remember, the less you pack, the easier it is for us to keep track of everything! Please label everything in your bag. Bay Club South Bay is not responsible for any lost or stolen items.

Camper Code of Conduct

Our main goal is to provide each Camper with a safe and secure environment. We want to create a warm, comfortable, and fun atmosphere that will have your child looking forward to coming to Camp each day. Please take a few minutes to review the following Camper guidelines with your child.

While attending Camp at the Bay Club I will...

1. Listen and follow the instructions of counselors and staff.
2. Always stay with my group.
3. Keep my hands and legs to myself.
4. Not act aggressively towards my fellow campers or counselors.
5. Be kind and considerate to my fellow campers.
6. Not tease, taunt, name call, or bully my fellow campers.
7. Tell a counselor if I see or hear any bullying by another camper.
8. Use the trash receptacles and clean up my messes.
9. Be polite and use proper manners especially "please and thank you".
10. Be aware while others are talking and will not interrupt.
11. Not bring iPods, cell phones, or any electronics to camp.
12. Be a good sport and have a lot of fun!

SAFETY FIRST!

The Bay Club is committed to providing the safest environment possible for all Campers. Here are just a few of our safety practices:

- All of our Camp Counselors and Leadership (18 years and older) are background checked, finger printed, and CPR|AED| First Aid trained. They also complete extensive camp orientation covering positive child developmental practices, conflict resolution, anti-bullying, and inclusive team building skills.
- Sunscreen is applied every 45 minutes.
- Campers with dietary restrictions or medical needs will be given an identification bracelet so all camp staff whom come in contact will be aware and provide appropriate care.
- Campers are adequately supervised when going to and from the bathroom, and will be aided by staff of same sex when needed.
- Campers will change after swimming inside our designated changing tents. If assistance is needed during changes, a Camp Counselor of same sex will provide help.
- We understand that swimming may bring up concerns for parents and we take the safety of your child very seriously so a swim test will be conducted for all kids under the age of 14. Those who can swim the length of the pool unassisted and tread water for 60 seconds will be considered “water safe” and will receive a bracelet. Campers are to wear their bracelet daily. Those whom prefer not to test, or are unable to complete the swim test, will have in pool supervision at all times.
- A minimum of two lifeguards in addition to camp staff and swim instructors will be present at all times while campers are in the water. Exact ratios to age listed below.
- All campers are checked out using a pin. If anyone other than you or second parent will be picking up, please log on to Bay Club Connect to enter their information. They will then be assigned a PIN number. Campers will not be released without an authorized guardian on file and use of correct pin.
- Throughout the summer all Counselors are required to participate in interactive safety drills that directly relate to children in Camp. Whether it’s a bee sting, a food reaction, or another medical emergency, you can rest assure that your camper is in safe and knowledgeable hands.
