

WELCOME TO MANHATTAN COUNTRY CLUB PRESCHOOL

Children have a natural love of learning, as seen in their innate curiosity of the world around them. If children are given the basic tools needed to learn, and they experience success in their efforts, they will develop the motivation for learning that is integral to their success in school.

The primary goal of Manhattan Country Club Preschool is to provide a warm, safe, and nurturing environment in which your child is given the opportunity to grow intellectually, socially, emotionally, and physically. The Manhattan Country Club Preschool curriculum provides age-appropriate structured activities, which foster communication skills and confidence in self-directed learning.

Your child will develop cognitively and socially in our class through independent and group exploration of their surroundings. The classroom environment will provide your child with learning materials designed to enhance these explorations. Nurturing and attentive teachers will guide your children through a daily routine of indoor/ outdoor play, circle time, activity time, free play, and story time. In addition, communication and social skills are reinforced daily in a positive and consistent manner. Our team is proud to assist in the development of:

Physical and Cognitive Abilities

It is important for children to develop appropriately. At this age children are discovering use of their bodies. Your child will be involved in play activities which reinforce physical and cognitive growth, as well as the development of fine-motor and gross-motor skills.

Self-Confidence and Positive Self-Image

The classroom will provide areas for individual exploration, as well as group enrichment. Manhattan Country Club Preschool will encourage, as well as model, positive behavior to enhance your child's social skills and help him or her to develop a healthy and confident self-image. Manhattan Country Club Preschool offers a balanced program designed to inspire joy in learning and personal growth. Our mission is to provide the foundation for each child's lifelong personal and academic success.

MANHATTAN COUNTRY CLUB PRESCHOOL REQUIREMENTS FOR THE FIRST DAY FULL DAY AND HALF DAY

In order to ensure the best experience for your child, the following items are required and must be brought on the first day of Preschool:

- All required paperwork
- FULL DAY ONLY: bring a sleeping mat, and extra sheets
- An Emergency Pack for each child (see below)
- One package of diapers and one package wipes (if required)
- Change of clothes (will stay at school)
- Swim suit for water play

Please make sure to bring all items listed so that your child's first day at Manhattan Country Club Preschool can go as smoothly as possible. Thank you!

EMERGENCY PACK

The safety and well-being of your child is our primary concern at Manhattan Country Club Preschool. Therefore, all students are required to bring an Emergency Pack to class on the first day. The following items must be contained in a gallon size Ziploc bag:

- A photograph of your child
- A 3" x 5" card with your child's name and emergency information (parents'/guardians' names and contact phone numbers, emergency contact person's info, etc.)
- One emergency blanket (found in the camping section at Target)
- Three non-perishable food items (no cans that require an opener!)

It is important to be prepared in any situation that we could encounter this school year. This Emergency Pack will ensure that your child has the proper essentials should an emergency situation arise.
